a. Presentation by Paige Rogers, Center for Adult Learner Success

Discussion/Action: Adult learners come to USI from many diverse cultures and backgrounds, each with their own sets of experiences and personal responsibilities.

They are parents, business owners, retirees, or come from any other lifestyle.

There are always exceptions, but an adult learner will identify with at least one of the following situations: 25 years or older, returning to school after 2+ years away, and having dependents. For more information, visit the [Center for Adult Learner Success](#) webpage.

b. Review Alt Work policy

Discussion/Action: Plethora of discussions regarding the alternative work policy and how constituents and employees, in general, feel about the program. Most seem positive. Senators will continue to get feedback and provide updates at future Admin Senate meetings.

IV. ADJOURNMENT

The next Administrative Senate Meeting is October 5, 2022.
