
2020 Student Involvement in Research Presentations & Publications 6

Despite COVID, our students were able to attend a few virtual conferences and complete a couple of publications. What a tough year we all had.

Christmas, J. (2020, April 24). Maternal anxiety and depression and attachment quality [Conference presentation]. Mid-America Undergraduate Psychology Research Conference, Virtual, United States. <https://www.mauprc.org/developmental?pgid=k91rd1b8-95b7f06a-8d1a-4bcd-b407-e86ee9465a73>

Daniels, K.M., Crowley, F., **Krumenacker, L.**, & Steltenpohl, C.N. (2020, January 3-6). Teaching research methods to high school and undergraduate students through video games [Conference presentation]. National Institute on the Teaching of Psychology, St. Pete Beach, FL, United States

Dobersek, U., **Adkins, J., Krout, K., Altmeyer, S., & Wy, G.** (2020, August 6-9). *A systematic review of meat abstention and its relation to mental health* [Conference presentation]. American Psychological Association Annual Conference, Virtual, United States.

Dobersek, U., **Krout, K., Peak, J., Stallings, B., & Teel K.** (2020, October 21-24). *Self-objectification and stress among female college students: A pilot study* [Conference presentation]. Association for Applied Sport Psychology Annual Conference, Virtual, United States.
https://appliedsportpsych.org/site/assets/files/1047/012_2020_aasp_conference_abstracts_final.pdf

Dobersek, U., **Wy, G., Stallings, B., Case, C., & Maner, J.** (2020). *Does exercise make me more valuable? Exploring the relation between exercise frequency and mate value.* Evolutionary Psychological Sciences. [10.1007/s40806-020-00270-w](https://doi.org/10.1007/s40806-020-00270-w).

Ellis, C., Laffoon, R., & Steltenpohl, C.N. (2020). Advocating for mental health resources on campus. *The Community Psychologist*, 53(3), 45-49. [Society for Community Research and Action :: Prevention and Promotion \(scra27.org\)](https://www.socra27.org/)
