

Psychology - Pre-OT Track

There is no specific major to prepare for OT school. Admission requirements for OT programs vary for different schools. For questions, contact the psychology department at 812-465-1222.

The following courses are a typical course of study for a psychology major interested in admission to occupational therapy graduate programs. This is a suggested sequence of courses. There is some flexibility in this schedule. Courses taken in the first year depend on math placement.
